SUBJECT: Consideration and Discussion of Mini-Loop Concept

At the February 2, 2005 Working Group meeting, the Mini-Loop Concept was presented. The purpose of this item is to provide working group members an opportunity to discuss and provide feedback on the new proposal, and to ask any additional questions prior to determining if there is a consensus on providing a recommendation to the City Council regarding the Mini-Loop concept. Please bring your copies of the handout material from the last meeting. Attached are the four additional slides that were presented at the meeting.
